FastTurn MR100 Stainless

Mid-Level Value • Enhanced classic design • Strong and durable • Lasts a lifetime

FastTurn MR100 (Stainless)

*See back for detailed
dimensions and specifications.*

Applications:

The FastTurn MR100 is the perfect waist high turnstile for a variety of applications ranging from athletic facilities, cafeterias, and schools, to amusement parks, stadiums and office buildings.

The enhanced classic, rugged and durable design has been built to withstand the abuse of a mass transit system while maintaining an affordable budget price.

Wherever control of pedestrian traffic is necessary, these waist high turnstiles will perform flawlessly. Used as either stand alone units or as part of a fully integrated security control package, these turnstiles offer great quality and value.

Materials and finishes available in:

- 304 Stainless Steel

Other single passage models in this series:

FastTurn LC100 Black or Stainless (*Entry-Level Value*)

FastTurn LC100P Portable Black or Stainless (*Entry-Level Value*)

FastTurn MR200 Stainless (*Premium Value*)

FastTurn MR200 Plus Stainless (*Premium Value*)
